

# LOGOS Family Covenant

*LOGOS at First Presbyterian Maitland is a system of Christian nurture designed to help youth and children grow in their relationship with Jesus Christ and with each other. Many adults in this church are so convinced of this program's value that they are devoting much time and energy to making it available for young children. Family participation is an integral part of this system of spiritual nurture, so the LOGOS Board and Staff ask that you read over and make a commitment to the LOGOS Family Covenant.*

Believing that being a disciple of Jesus Christ is truly the most important choice we ever make, and realizing that this choice is made in our lives every day, we will, with the help of the Holy Spirit, make the following commitments:

We will:

- Pray daily for the people and program of LOGOS
- Be regular in attendance at LOGOS and fulfill our commitment of time and talents to the program
- Attend congregational worship when LOGOS children are participating.
- Participate as a family in home assignments.
- Recognize that each person is made in the image of God, is valuable and precious and should be treated accordingly, regardless of personal preferences or circumstances.

**We agree with the LOGOS Program Family Covenant and commit to upholding it in the coming year.**
